explore the groundbreaking hymnal 1982 through the eyes of its creators as the episcopal church celebrates the fortieth anniversary of its publication the hymnal 1982 is a landmark publication that has shaped the church's song and provided a wealth of musical resources through the author's first person interviews meet the poets composers clergy liturgists and scholars who contributed to this influential book and hear their insights about what has worked well and the changes they envision for the future the author also shares her observations as well as input from musicians currently serving episcopal parishes discussion questions and hymn suggestions related to each chapter provide a highly usable resource for group study in celebration of the fortieth anniversary of the hymnal's publication

hymns and the music the church sings in worship are tangible means of expressing worship and while worship is one of if not the central functions of the church along with mission service education justice and compassion and occupies a prime focus of our churches a renewed sense of awareness to our theological presuppositions and cultural cues must be maintained to ensure a proper focus in worship hymns and hymnody historical and theological introductions is a sixty chapter three volume introductory textbook describing the most influential hymnists liturgists and musical movements of the church this academically grounded resource evaluates both the historical and theological perspectives of the major hymnists and composers who have impacted the church over the course of twenty centuries volume 1 explores the early church and concludes with the

renaissance era hymnists volume 2 begins with the reformation and extends to the eighteenth century hymnists and liturgists volume 3 engages nineteenth century hymnists to the contemporary movements of the twenty first century each chapter contains these five elements historical background theological perspectives communicated in their hymns compositions contribution to liturgy and worship notable hymns and bibliography the mission of hymns and hymnody is 1 to provide biographical data on influential hymn writers for students and interested laypeople and 2 to provide a theological analysis of what these composers have communicated in the theology of their hymns we believe it is vital for those involved in leading the worship of the church to recognize that what they communicate is in fact theology this latter aspect we contend is missing yet important in accessible formats for the current literature

this book examines the influence of music on the development of the church of god cleveland tennessee this narrative is historically driven but relies upon an interdisciplinary approach to draw on the insights of ecclesiology theology liturgiology church development and especially music this study utilizes a chronological and systematic approach to the relationship between music and the church of god in the united states during the first 125 years of the denomination s history from 1886 to 2011 for over a century music has been an often neglected dialogue partner at the table of academic discussion and this research argues for recognition and a proper place in pentecostal history along with primary and secondary sources the important element of living archives is investigated in this work these are interviews with people who participated in historical music events in the church of god the book also relies upon musical examples to explore the influence of music upon the shaping of the denomination s history and theology
